## BRECKSVILLE CENTER FOR THE ARTS

### Convenience

*After School Arts Program* classes take place right in your child's school. Each class is 2 hours in length, allowing students the time to fully grasp concepts presented and finish their projects. Students are welcome to attend a session at another elementary school (space permitting) but parents must get them there on time.

**All students must be picked up no later than five minutes after class ends, or an additional charge must be paid to the instructor. Please send a "dry" snack with your child for after school.**

### Quality Instruction

Professional and experienced artist-teacher **Stephanie Sibits** uses the visual arts to enhance your child's creative self expression in a "no-fail" environment. Fun and creative projects allow each student to relax and re-focus at the end of busy school days. Children experiment with color, form, texture, style and much more!

### Personal Attention

Classes are filled on a first-come, first-served basis with a maximum of 12 students per class, giving your child a chance to interact with the instructor and other children on a one-to-one basis.
